Security Message for U.S. Citizens – Continuing Protests in Asuncion
13 April 2016

Please be advised that workers' groups (cooperativas) are planning to continue demonstrating this week, April 11 - 15, 2016. The demonstrators will continue to gather at Plaza de Armas, which is located downtown across the street from the Congress.

Even demonstrations intended to be peaceful can turn confrontational *and* escalate into violence. *You should avoid areas of demonstrations, and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations. Review your personal security plans; remain aware of your surroundings, including local events; and monitor local news stations for updates. Maintain a high level of vigilance and take appropriate steps to enhance your personal security and follow instructions of local authorities.*
